## **Building Access/Parking**

The Knott Building is located within the Capitol Complex, directly behind the Senate Office Building. To access the Knott Building visitors must enter the Capitol Building through the East or West entrances at Plaza Level (security-checked) and proceed to the second floor. Visitors should proceed across the bridge that connects the Capitol Building to the Knott Building. There are signs posted in the Capitol directing you to the Knott Building. Room 117 is located on the first floor of the Knott Building.

Public parking is available at the Kleman Plaza Parking Garage. Limited metered parking is available on the streets in the vicinity of the Capitol Complex.
